The image shows the entrance of The Black Hawk Hotel. The entrance features a pair of wooden double doors with glass panels, set within a dark blue frame. Above the doors is a transom window. The building's facade is made of brick and stone. A decorative hanging light fixture is positioned above the doors. In the foreground, a dark mat with the hotel's logo and name is laid on a brick-paved walkway. Two large, ornate planters with greenery and red berries are placed on either side of the entrance. A white square frame with a thin border is centered over the image, containing the text 'THE BLACK HAWK HOTEL'.
